Dear Records Person:

This will be your last copy of the KYMN sheet. As of January 31st, I will no longer be associated with the station. The management does not believe the cost of the sheet ($1.60 per week in postage) is balanced by improved service. I personally do, and very much regret that this service to you will end. It was, and is, my beliefs that radio stations & record companies must communicate with each other in order to be succesful. To those of you I've spoken to and delt with over the past two and one-half years, I've tried to honestly judge your product, and when justified give you air-time. I hope wherever I'm working in the future to be able to serve in the same capacity.

regards,

Paul Evans, Pgm & Mus Director
KYMN-Northfield

ps A man named Bob Hanson did the cartooning for us, and I think he's quite clever. He's an old friend.
